

Bring the World into Your Home!

Host an Exchange Student for 2012-13

As a host family to an international high school student, you learn first-hand about another culture while building a lifelong bond with a teen – and their own family – across the globe. Trust EF Foundation to ensure that your exchange experience is the best it can be. We offer:

- ▶ A local coordinator who helps you select the right student, and works with your school.
- ▶ Great support throughout the exchange.
- ▶ Students who have been carefully screened for language, attitude and grades.
- ▶ Students who bring their own spending money and insurance.

“ Hosting is so much more than getting to show a teen what life in America is like. Your own family gets to learn what life in another country is like, too. Now my kids are even talking about going abroad! Hosting has truly been life-changing for all of us. I can't recommend it enough. ”
